## Media Information

The press box at Perry Stadium is named in honor of long-time sports information director Don Cunningham. In Oct., 1992, the University honored Cunningham for 33 years of service to the athletic department in various capacities, the most lengthy as SID (1945-65). Cunningham also attended and graduated from BGSU ('43) and following his retirement in 1979 served as the curator of the BGSU Athletic Archives. Cunningham was inducted into the CoSIDA Hall of Fame in 1981. He passed away in June of 2000. In 2001, the Cunningham family established a scholarship in his honor to benefit students pursuing a career in sports information.

### PLAYER INTERVIEWS

All interviews with members of the team should be conducted at Coach Brandon's Tuesday media lunch. Players will be made available at 12:30 to those in attendance. Please allow at least 24 hours to set up interviews with players. Arrangements will be made for telephone and in-person interviews at a time that is mutually agreeable to the reporter/broadcaster and the athlete, should there be a schedule conflict.

### PARKING

A special media parking lot is located adjacent to Doyt L. Perry Stadium, near the southwest corner of the stadium. Access to the media lot is by Alumni Drive which connects Mercer Road (near the Alumni Center) and Wooster Street (near the Information Booth). Admission to the media lot is restricted to people holding the correct credential acquired

from the athletic communications office. All media members are asked to enter the stadium through the press gate (Gate 2) at the southwest corner of the stadium.

### POST-GAME INTERVIEWS

**At Home:** Coach Brandon and BGSU players will be available for post-game interviews in a conference room located between the two locker rooms, following the normal cooling-off period. BGSU observes a closed locker room policy. The conference room is on the east side of the stadium (opposite the press box), and can be entered through the tunnels at either the north or south end. **On the road:** Coach Brandon and requested players will be made available in a designated media room or just outside the locker room following the normal cooling-off period.

### PRESS GATE

The press gate (Gate 2) at Doyt L. Perry Stadium is at the southwest corner of the stadium, a short walk from the media parking lot.

### MEDIA FIELD POLICY

A general media pass will allow you access to the field during pre-game warmups and during the final five minutes of the fourth quarter only. Field access will be limited to working photographers and television reporters. **A limited number of general admission seats (end zone bleachers) are available for spouses, dates and children upon request.**

### GETTING TO PERRY STADIUM

Perry Stadium is located just off of I-75, the quickest and most convenient way to get to the stadium. Take exit 181 off of I-75 and go west on Wooster Street. The stadium will be visible from I-75. At the first traffic light on Wooster (Alumni Drive), turn right where an attendant will direct you to the media lot. I-75 is easily accessible from all directions.

### PHOTOGRAPHERS

Photo passes for newspaper photographers, television videographers and, under special circumstances, for free-lance photographers, are available from the athletic communications office. Photo passes entitle the photographer access to the sideline, the post-game press conference room and the press box. **Photographers must pick up an arm band in the press box prior to the game.**

The BGSU football program has a long and storied tradition that has propelled several individuals to greater football success as players or coaches following their playing days. BGSU Hall of Famers such as Phil Villapiano and Don Nehlen are two of the most recognizable figures in Falcon history. Martin Bayless, who enjoyed a long NFL career, addressed the Falcons at a recent team function. Charlie Williams won a Super Bowl ring with the Dallas Cowboys.

Three years ago, BGSU led the MAC with four players (Brandon Hicks, Ryan Wingrove, Chris Glantzis and Khary Campbell) signing NFL free agent contracts. This past spring All-Americans Josh Harris and Janssen Patton added their names to the list, as Harris was drafted by the Baltimore Ravens while Patton inked a free agent contract with the Pittsburgh Steelers.

## Professional Opportunities

Great pride is taken in the facilities available to members of the BGSU football program.

Strength coach Aaron Hillmann is regarded as one of the best in his profession and will get the most out of each athlete. BGSU is fortunate to have the MAC's premier practice facility which allows the Falcons to practice on schedule regardless of the weather, allowing the student-athlete to follow his daily academic schedule and performing in an indoor setting designed specifically for football.

The Falcon locker room is well maintained and gives the student-athlete easy access to Perry Stadium and the well-maintained practice fields which are adjacent to the stadium.

## CoSIDA Academic All-Americans

## RICHLY STEEPED IN HISTORY AND TRADITION

Bowling Green State University's intercollegiate athletic programs are experiencing a surge of energy, enthusiasm and exposure as student-athletes and coaching staffs help the Falcons earn a national reputation. In 2003 the Falcon football team finished in the top 25 in both the AP and coaches' polls. After winning the Mid-American Conference West Division the team went on to defeat Northwestern University in the Motor City Bowl.

BGSU also continues a passionate commitment to excel academically with a 93 percent graduation rate of student-athletes who have completed their eligibility. Bowling Green's women's volleyball team had the highest grade point average (3.61) among the 327 Division I programs in the nation for the fall 2003. Since the inception of the Bob James Memorial Scholarship in 1989, BGSU has had eight student-athletes receive the award, the most of any MAC school. This award, named in honor of the MAC's second commissioner, is awarded to one male and one female student-athlete who have achieved a minimum grade point average of 3.5, as well as shown evidence of good character, leadership and citizenship.

Although Falcon traditions have remained strong over the decades, there is an essential need to elevate BGSU's athletic programs and facilities to position them to be prominent at an increasingly competitive level.

## POSITIONED FOR CONTINUED SUCCESS

Intercollegiate athletics is moving forward with a \$7 million proposal to assist BGSU position its athletic programs as premier in the Mid-American Conference. Plans call for a two-story, 33,500-square-foot Student Athlete Center that will be located at the stadium's north end.

Serving as the front entrance to the BGSU Department of Athletics and to Doyt Perry Stadium, this center will feature a strength and conditioning facility, sports medicine and rehabilitation area, heritage room and outdoor pavilion overlooking the playing field. All student-athletes from the 18 varsity sports will benefit from state-of-the-art facilities and enhanced resources.

### Benefits for Student-Athletes:

- Modern facilities help BGSU remain competitive in attracting prospective athletes and their parents;
- Recruiting top student-athletes creates increased opportunities to compete for MAC championships and postseason appearances;
- Trainers can monitor the rehabilitation process more effectively to get student-athletes safely back on the playing fields;
- Convenient access to trainers and strength conditioning coaches allows for more efficient use of student-athlete's limited time.

### Student Athlete Center Features:

- New front entrance to Doyt Perry Stadium
- Sports medicine and rehabilitation facility
  - Strength and conditioning area
- Outdoor pavilion overlooking the playing field
  - Heritage room
- Reception area for department functions and recruiting
  - Football coaches' offices
  - Teaching space for coaches and players
  - Video equipment and viewing room
    - Team meeting rooms
  - Coaches' conference room

These facility enhancements will create a welcoming atmosphere for visitors, athletes and coaches. This will also have a positive impact on our recruiting efforts. The finest facilities, equipment, trainers and coaches will enable Falcon student-athletes to perform at peak levels.

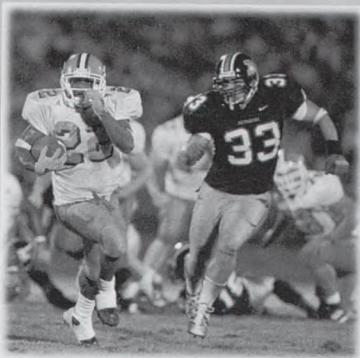

## NEED FOR PRIVATE SUPPORT

BGSU athletic programs have outgrown current training facilities that hold us at a disadvantage for recruiting top athletes when compared to peers in the Mid-American Conference. State funding cuts have reduced the ability to infuse money into the athletic programs as necessary and reduced operating budgets create concerns about continuing athletics' winning trend. Operational monies are being stretched tight, creating a sincere need for private support.

The Student Athlete Center will be totally funded with private gifts from former athletes, alumni, friends, businesses, coaches, faculty and staff. Naming opportunities will be offered for gifts of \$50,000 and above. A five-year pledge payment plan is available.

Student-athletes require resources that will enhance their learning experiences and training environments, helping them perform at peak levels and maintain this current momentum of excellence. Coaches and staff require facilities that attract and secure these talented student-athletes. For more information or to make a gift to the Student Athlete Center contact Dick Waring, BGSU Office of Development, Milet Alumini Center, Bowling Green, Ohio 43403 or call (419) 372-7675.

## Falcons and Gregg Brandon Look to Take "The Next Step"

The Falcons begin chapter two of the Gregg Brandon Era with one goal, "Winning a MAC championship."

**Q:** What did you come away with this spring that you are most pleased with?

**GB:** "The enthusiasm of the football team. They are having fun playing the game, accepting coaching and trying to get better. They are feeding off of last year's team.

"We want to do better. Last year, we won a bowl game, won the West, and now we want to win the MAC. It's not like we were 6-5 and want to be 8-3, or 8-3 and want to win the West. Now that we have won the West we want to win the MAC. That's a hard challenge and the team seems to be responding to that."

**Q:** People outside the program may look at the fact that Josh Harris graduating leaves you in a bind, but you have all of your guys back in key positions. Are those players ready to step up while you break in a new quarterback?

**GB:** "In my opinion Josh Harris had to elevate his game to get us to the next level, and that's what he did. Now this year all of the other backs and receivers have to elevate their games to get us to the next level. Obviously, Omar's (Jacobs) experience hopefully won't be a factor but it's bound to be somewhere down the line, so the Cole Magners, P.J. Popes, and Charles Sharons all have to elevate their games. Last year at this time I was telling Josh, 'you need to elevate your game'."

**Q:** You have some guys coming off injuries on the offensive line so the younger guys got plenty of reps this spring. How important has that been?

**GB:** "It's huge. Because the Kory Lichtensteigers, the Patrick Watsons, the Drew Nystroms, the Edmund Masseys, the Kevin Huelsmans, -the five blocks of granite- got a lot of reps this spring mainly because of injuries.

"There is only one starter on the line that's played at all in Andy Grubb, and Jonathan Culp has played some but not a lot. With Rob Warren, Andrew Hart, and Scott Mruczkowski out, it's trial by fire for these guys. I like those kids, we've got some depth in the line finally and some quality depth and they've done a good job. These are the guys that are going to be protecting Omar the next 2-3 years anyway."

**Q:** What is a quality about Omar that you really like?

**GB:** "Omar is smart. You tell Omar something once, he grasps it. He's not what we call 'rep-guys' where you have to

keep pouring them reps. Omar can watch a tape, he can get coached and go out and execute it on the field, usually the first time. That's huge because it indicates some level of quarterback intelligence that you don't know about when you recruit them. You're just guessing when you recruit. You recruit kids off of ability. Every position, especially QB, you have to really pay attention to 'can he do it' and you really don't know. You just go by what their coach usually says (Yeah he's a good leader and makes good decisions), but can they do it at the Division IA level, and you just don't know. It's such a huge position in our league. Miami had the best quarterback last year and they won the MAC. BGSU was second and we had the second best quarterback. Year in and year out the teams that have the best quarterback and play great defense generally are competing for championships in this league."

**Q:** You are still young on defense, but most of the guys up front have played a lot for the Falcons.

**GB:** "It's nice because now our youth is in the back end. Last year our youth was in front and our experience was in the back end. We graduated three seniors in the back end and now our youth is back there. It's nice having back a front seven that has played a lot of football games. It's nice having Keon Newson back to head that secondary up back there. We've got some young players back there but we've got some players that have played a lot. Jelani Jordan and T.J. Carswell have played a lot."

**Q:** Any new names that are making a push for playing time on defense?

**GB:** "Jamien Johnson is pushing for a starting spot, which he needs to. It's his third year in the program and he needs to elevate his game. Jenkins Reese is a freshman that looks the part he just needs a ton of reps. He's going to be a good player someday."

**Q:** Your defensive line really matured last year. Can they continue to be solid?

**GB:** "Last year we really pressured the quarterback and that was critical for us. We were able to rotate a lot and keep everyone fresh. Mike Thaler had a great spring and guys like Devon Parks and Mitchell Crossley keep improving. We just need to have everyone healthy."

**Q:** Is Keon Newson the type of player who could be one of the top players in the MAC?

**GB:** "He definitely is the key to our back end, because he's a marquee player. He has the versatility to play inside and outside and I certainly think he can be the best defensive player in the conference. He has a knack for making big plays as evidenced by the fact he led the league in forced fumbles."

**Q:** What about the kicking game and the rest of your special teams?

**GB:** "I really feel good about Nate Fry. He came on last year and did some nice things for us. He did some directional punting. Shaun Suisham needs to be more consistent. He was better two years ago than he was last year. He needs to step it up. He is a very talented kicker. He just needs to concentrate on making every extra point, keeping his kickoffs in bounds and punching them through when he gets field goal opportunities."

"We were sound in special teams. We had no punts blocked, we had no returns against us for touchdowns, either kickoff or punt. We were basically middle of the pack in terms of special teams. We are always tweaking that, trying to get an edge. My philosophy is don't let them beat you. Be sound, cover and protect."

## Key Falcon Facts You Need To Know

**P.J. Pope** had 1,438 all-purpose yards for the Falcons and was a first-team All-MAC pick in 2003.

Redd's BGSU career records in both categories.

Junior running back **P.J. Pope** became just the third BGSU running back to earn first-team All-MAC honors since 1985 (Bernard White-1985, Zeb Jackson-1993). He rushed for 1,005 yards and 10 TDs and caught 48 passes for 433 yards last season.

Senior center **Scott Mruczkowski**, who is a candidate for the Lombardi and Rimington Awards, will be looking to be the first player since offensive lineman Rob Fehrman (44, 1997-2000) to start every game in his career. Mruczkowski, a first-team All-MAC pick in 2003, has started 37 games for BGSU.

Senior cornerback **Keon Newson** led the MAC in forced fumbles with six last season, four of which came in the five games he played at cornerback. He played nine games during the season at safety.

The Falcon linebacking corps has 31 games of starting experience led by senior **Jovon Burkes** with 16, followed by junior **Teddy Piepkow** with nine and senior **Daniel Sayles** with six.

Junior running back **B.J. Lane** has the highest yards per carry average in BGSU history (6.4 yards). He rushed for 498 yards last season.

The Falcons return 4,043 receiving yards and 29 TDs through the air. Junior **Charles Sharon** (887 yards and 10 TDs) and Magner gave the Falcons two players with double digit TD catches in the same year for the first time in school history last year. Overall, Magner (28), senior James Hawkins (26) and Sharon (24) have combined to start 78 games in their careers.

The Falcons have won 13 straight games at home against MAC West opposition since the 1999 season.

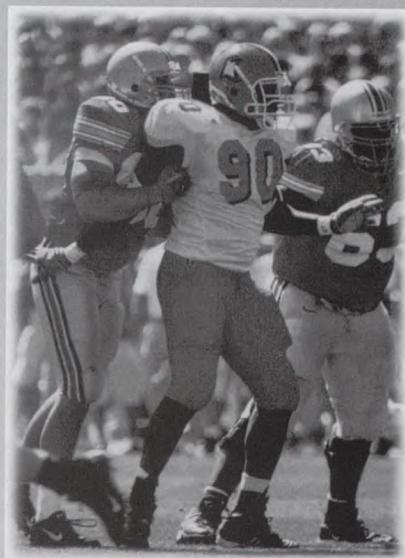

Senior kicker **Shaun Suisham** needs 35 points to become the school's all-time leading scorer surpassing Josh Harris who had 284 career points. Suisham has made 31 field goals (6th all-time at BGSU) and 157 PATs (a BGSU record). Suisham, who made 16 field goals in 24 attempts in 2003, needs 14 field goals to set a new school record breaking the old mark of 44 shared by Brian Leaver (1991-94) and Gehad Youssef (1981-84).

The Falcons have won 13 straight regular season home games at Doyt Perry Stadium since November 2001. Since the 1999 season, BGSU is 13-0

against MAC West opposition at home. For the second straight year, BGSU will play a team that appeared in the previous season's BCS national championship game when they visit Oklahoma. BGSU played Ohio State last season.

Since the 2001 season, BGSU is 3-1 against the Big Ten and 3-0 against the Big XII. Only one of those games (Missouri, 2002) was played on the Falcons' home field.

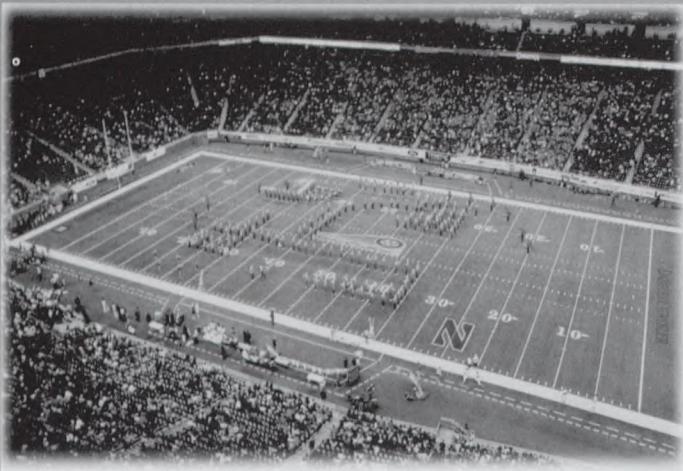

The Falcon defense was second in the MAC with 33 sacks, the most for BGSU since the 1992 season when they had 38. Junior defensive end **Mitchell Crossley**, a second-team All-MAC selection, led the way for BGSU with nine. The Falcon defensive front four has a combined experience of 66 games started (Crossley-19, sophomore DE Devon Parks-14, junior DT Matt Leininger-19, and junior NG Mike Thaler-14).

**Mitchell Crossley**, a second-team All-MAC pick, had a team-high nine sacks.

## Falcons and NFL Facilities

This will be the third straight year that BGSU will play in an NFL facility when it battles Temple in Lincoln Financial Park, which also is the home of the Philadelphia Eagles. Last year, BGSU played at Ford Field (above), home of the Detroit Lions, during the Motor City Bowl and played South Florida in Raymond James Stadium (Tampa Bay Buccaneers) in 2002. The Falcons also will take on Wisconsin at Cleveland Browns Stadium in 2006.

## Mruczkowski is a Lombardi and Rimington Candidate

Senior center Scott Mruczkowski was nominated for the 2004 Rotary Lombardi Award which is presented to the best lineman (offense or defense) in college football and for the Rimington Trophy which is given to the nation's top collegiate center. Mruczkowski, a native of Garfield Heights, Ohio, moved to center as a junior after starting the previous two seasons at left

guard. He was named first-team All-MAC. His older brother, Gene, played at Purdue and is a member of the New England Patriots. He also was nominated for the Lombardi Award in 2003. If he starts 10 games this season, he will have finished his career with more starts on the offensive line than any other player in BGSU history.

## Winners on the Road

With the win at Ball State last year, the Falcons secured their first winning road record in the MAC (3-1) since the 1994 season when they finished perfect away from home (4-0) in league play. In non-conference play since 2001, the Falcons are 5-2 away from home with wins over Missouri, Kansas, Purdue and Northwestern (twice).

### Just Once Before

The Falcons posted back-to-back seasons with nine-plus-wins for just the second time in school history. BGSU won 11 games in 1991 and 10 in 1992. Last year marked just the fourth season of 10-plus-wins for BGSU in school history. BGSU was 11-1 in 1985.

### One of the Top Programs in the MAC

Over the last three years, the Falcons' 28 wins are the second-most of any school in the MAC. During that span, BGSU has a league-high seven wins against BCS affiliated schools and three wins (Purdue and Northwestern, twice) against the Big Ten.

### BGSU To Play Wisconsin at Browns Stadium

BGSU Director of Athletics Paul Krebs has announced that the Falcons have signed a contract with the University of Wisconsin to play football in Madison in 2005, with a return game in 2006 that BGSU will host in Cleveland Browns Stadium.

"We are very thankful for this opportunity and think this a great thing for our fans and alumni in northeast Ohio," said Krebs. "We would like to thank the Browns organization, the MAC, Wisconsin and the Greater Cleveland Sports Commission for making this possible."

The two teams have met just once. In 1992, Wisconsin took home a 39-18 victory in Madison. BGSU has won three of its last four games against Big Ten opponents, winning at Northwestern (2001) and Purdue (2003), falling at Ohio State (2003), and defeating Northwestern in the MCB (2003).

"We are very excited to be hosting a college football game between Bowling Green and Wisconsin in 2006," Browns President and CEO Carmen Policy said. "We continually attempt to bring as many diverse events to Cleveland Browns Stadium as our schedule and climate permit, and this match-up between well respected schools from the Mid-American Conference and the Big Ten Conference will be invigorating for the passionate football fans in Northeast Ohio."

"This is very exciting for Cleveland," said David Gilbert, President & CEO of the Greater Cleveland Sports Commission. "This game will bring a lot of people and visibility to our community as well as continue to build our reputation as a top host for major sporting events. Cleveland has a hunger for college football and Bowling Green vs. Wisconsin will be sure to satisfy."

### 500 Club

During the last three seasons, the BGSU Falcons have posted 11 efforts of 500-yards or more of total offense, including six times in 2003. BGSU is 11-0 in those games.

### Brandon is Top First-Year Coach

First-year head coach Gregg Brandon, the 16th head coach in the history of the BGSU football program, joined Don Nehlen and Urban Meyer as the only BGSU football coaches to begin their career with a 3-0 record. **HIS 11 WINS WERE THE MOST OF ANY FIRST-YEAR COACH IN NCAA-IA LAST YEAR.**

### BGSU Boasts Strong Graduation Rate

The Bowling Green State University football program was recognized by the American Football Coaches Association for its outstanding graduation rate which is above 70 percent.

With seven schools on the list, the MAC had more members honored than any other Division IA league.

Boston College and Northwestern University received the American Football Coaches Association's 2004 Academic Achievement Award, which is presented annually by the Touchdown Club of Memphis. The schools each recorded a 100 percent graduation rate when all members of their freshman classes of 1998-99 earned a degree.

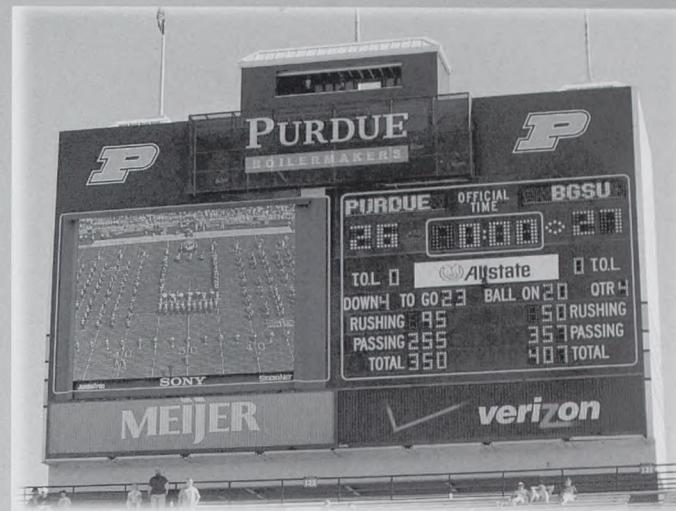

Thirty other institutions were recognized for graduating 70 percent or more of their football players. Three of those institutions achieved a rate of 90 percent or better: Notre Dame, Oklahoma State and Wake Forest. The others receiving honorable mention are: Ball State, Bowling Green, Duke, Hawaii, Illinois, Indiana, Iowa, Kansas, Kansas State, Marshall, Maryland, Memphis, Miami (Fla.), Miami (Ohio), Nebraska, North Carolina, Ohio, Rice, Southern Mississippi, Syracuse, TCU, Texas Tech, Toledo, Vanderbilt, Virginia Tech, West Virginia and Western Michigan.

The overall graduation rate of the 94 schools that responded to the survey was 59 percent, similar to the previous year. Forty-nine of the members responding were above the average and 45 were below the average. The median graduation rate was 60 percent, compared to 59 percent last year and 61 percent two years ago.

The study involves the freshman class from the academic year of 1998-99, including those who entered at that time but who did not receive financial aid until after their initial year, or who transferred from another institution and subsequently received a grant-in-aid.

### Falcons Have Best Non-League Mark

Since the 2001 season, BGSU holds the league's best winning percentage against non-MAC Division IA opponents at 77.8 pct (7-2). Even more impressive is the fact that five of BGSU's seven wins have come away from home and BGSU is 7-1 against teams from BCS affiliated conferences in that same span. The Falcons have defeated Northwestern (2001 and 2003), Missouri (2001), Kansas (2002), and Purdue (2003) away from Doyt Perry Stadium. Ironically, each of those programs went to a bowl game last season.

## Falcons Fly at Hall of Fame

During the football season, helmets and pennants featuring teams ranked in the top 25 of the ESPN/USA Today Coaches Poll are displayed in the lobby of the College Football Hall of Fame in South Bend, Indiana. The picture above shows BGSU when it was ranked 16th in the country during the 2002 season ahead of #17 Florida and behind #15 Oregon.

When the Falcons first landed in the poll on October 13, 2002, Hall of Fame officials did not have a BGSU helmet among its collection and used a Syracuse helmet with a mock "Falcon Head" logo before obtaining an authentic BGSU helmet and pennant from the University. The Falcons were ranked for eight weeks in 2003 and finished the season rated #23 in the Coaches and AP Polls. BGSU also was ranked 20th for one week in 1985.

## Holding Them Under 100

Under the direction of assistant head coach and multiple Broyles Award nominee Tim Beckman, the Falcons have held the opponent to fewer than 100 yards on the ground in 22 contests over the last four seasons.

## Head Coach Gregg Brandon

**HOMETOWN:**  
Colorado Springs, Colo.  
**BIRTHDATE:**  
Feb. 29, 1956  
**EDUCATION:**  
N. Colorado, 1978 (BA)  
**WIFE:** Robyn  
**CHILDREN:** Nicholas (20), Timothy (12)

Gregg Brandon became the 16th head coach in the history of the Falcon football program on Dec. 19, 2002, and in his first season he guided BGSU to a #23 national ranking in the final AP and Coaches Poll (23rd) and a #24 position in the final BCS standings. Last year, he had the top record of any first-time, first-year head coach with a 11-3 mark after guiding the Falcons to a MAC West title and a win over Northwestern in the Motor City Bowl. In addition, he saw BGSU ranked for a school record eight weeks and make five national television appearances. Also, BGSU finished third in the country in total offense (496.7), ninth in passing offense (300.4), 14th in passing efficiency (147.29), and 20th in scoring (33.6). Defensively, the Falcons were the third highest rated team in the MAC.

Brandon was hired after more than 22 years of coaching experience at the Division I level, including two years at BGSU where he has served as assistant head coach and directed the Falcons' record-setting offensive attack. Under his guidance, in 2002 the Falcons finished third in the nation in scoring (40.8), eighth in total offense (448.9) and 15th in rushing (219.1). In addition, the Falcons toppled 17 school records and seven MAC records and saw quarterback Josh Harris set a league mark with 41 TDs responsible for. Under his direction, Brandon saw wide receiver Robert Redd earn first-team All-MAC honors for two straight seasons. In addition, BGSU had the top red zone efficiency in the nation (96.8) converting on 61 of 63 opportunities inside the opponents' 20-yard line.

In his first season at BGSU, the Falcon offense showed tremendous improvement, accumulating 124.46 more yards per game

and 14.48 more points per game than the 2000 squad. Among MAC schools, the Falcons improved from 13th to fourth in total offense and from 11th to third in scoring offense under his leadership.

BGSU set five school records on offense that year including total offensive plays in a game (100 vs. Kent State), individual receiving yards in a game (215, Redd vs. Marshall), individual total offense in a game (498, Harris vs. Northwestern), rushing yards by a quarterback in a game (148, Harris vs. Ohio), and individual receptions in a season (72, Redd).

Brandon joined the Falcons after spending two seasons at Colorado under Gary Barnett, where he coached the receivers and kickoff return units both years and was the team's passing-game coordinator in 2000 and recruiting coordinator in 1999.

Brandon, 48, played football for Barnett at Air Academy High School in Colorado Springs, and stayed in close touch with him throughout the years. When Barnett was hired as head coach at Northwestern in 1992, Brandon joined the Wildcat staff as receivers coach. He was also Northwestern's recruiting coordinator for his last two seasons there (1997-98). In his seven seasons at Northwestern, Brandon assembled an extremely talented group of re-

ceivers, including D'Wayne Bates, the second all-time leading receiver in Big Ten history. Bates was a semifinalist for the Biletnikoff Award and an All-America candidate.

Brandon played collegiately as both a defensive back and wide receiver at Mesa State (1974) and Northern Colorado (1975-77). He graduated from UNC in 1978 with a bachelors degree in education, and began his coaching career that fall as head football coach at Ellicott (Colo.) High School. He spent three seasons there (1978-80) before joining the college ranks at Weber State (under former Washington State coach Mike Price), where he would coach the next six seasons (1981-86). He coached the tight ends and special teams in his first four seasons, the linebackers in his fifth year and the receivers and tight ends during his final year in Ogden. He was then named receivers coach at Wyoming, where he would work the next four years (1987-90).

During his tenure with head coach Paul Roach, the Cowboys posted a 35-15 record, including a 16-0 run in Western Athletic Conference play in 1987 and 1988, and played in three bowls ('87 and '88 Holiday and '90 Copper). In 1991, he returned to Utah where he coached the linebackers for one season (1991) at Utah State. Brandon, born Feb. 29, 1956, in Tucson, Ariz., and his wife, Robyn, are the parents of two sons, Nicholas (20), a junior at Purdue, and Timothy (12).

### JOHN BOWERS

#### SAFETIES/ SPECIAL TEAMS COORDINATOR

John Bowers has been in the coaching profession for 25 years and is in his fourth year with the Falcons. He coached linebackers and served as recruiting coordinator his first two seasons at BGSU, while coaching the defensive ends and special teams in 2003.

In 2003, Bowers coached defensive end Mitchell Crossley who earned second-team All-MAC honors and had defensive end Devon Parks earn freshman All-American honors, while the entire defensive line helped BGSU record 32 sacks overall.

In 2002, he saw his linebacking corps help the squad finish first in the MAC in turnover margin for the second straight year. His group, led by

All-MAC performer Chris Hanline, had a hand in 16 of the team's 31 turnovers forced. In 2001, his unit produced one All-MAC performer, Harry

Campbell. The Falcon linebacking corps was a big reason why BGSU finished third in the country in turnover margin (3 INT's, 6 forced fumbles, 8 recoveries).

Bowers came to BGSU from Stow High School where he served as defensive coordinator for one year. He has experience in the MAC serving on staffs at Eastern Michigan (1998 and 1993-94) and Kent State (1997) where he was the defensive coordinator. In 1996 at Eastern Illinois, Bowers helped direct a defense that ranked 11th in the nation overall and seventh against the rush. The Panthers had a two-year record of 18-6 and the 1995 squad won the Gateway Conference championship.

He began his coaching career at James Madison as a football graduate assistant coach from 1979-80. Bowers became an assistant football coach at Washington & Lee for one season, 1981, and then spent two years as an assistant at Shepherd. Bowers moved on to Austin Peay as an assistant coach from 1984-87 before joining Illinois State

as assistant from 1988-92.

A native of Hagerstown, Maryland, Bowers graduated from JMU in 1979 after competing in football and baseball. He was the football team's offensive most valuable player and captain in 1978. He also earned his master's degree in education in 1980.

He and his wife, Joanne, an assistant women's gymnastics coach at Michigan, have two sons, David (21) and Ross (8).

# The Mid-American Conference

Over the span of 58 years, the Mid-American Conference has progressively grown and developed into one of the most aggressive Division I conferences in the country.

Under the guidance of Commissioner Rick Chryst, the seventh commissioner in the history of the league, the MAC has moved its men's and women's basketball championship into a first-class NBA facility at Gund Arena.

In the coming years, the MAC will host the 2006 NCAA Women's Basketball Mideast Regional and the 2007 Women's Final Four at Gund Arena, after successfully hosting the 2000 NCAA Men's Basketball Regional at The Palace in Auburn Hills, Mich. It also continues to be one of three conferences (SEC and Big 12) to sponsor a football championship game.

Continuing to lead by example, the MAC provides its student-athletes and member institutions with the best possible opportunities. Since 1946, the MAC has not only stood the test of time, but has thrived into forming a league that its founders could not have imagined or dreamed.

Based in Cleveland since July 1999 following a 15-year stay in Toledo, Ohio, the MAC has established historic measurements in both football and men's and women's basketball since its move to Northeast Ohio.

The 2003-04 athletic season marked the third straight season that the MAC had two teams involved in bowl games with league champions Miami (GMAC Bowl) and West champions Bowling Green (Motor City Bowl) representing the MAC in 2003. From 1998-2002 Marshall participated in the GMAC winning post season competition for five consecutive seasons while Toledo participated in the Motor City Bowl in 2001 and 2002.

Both Miami and Bowling Green finished the 2003 season ranked in the top 25 in both the AP and coaches' poll for the first time in Conference history. Miami finished the season ranked No. 10 in the AP and No. 12 in the coaches' poll, while BGSU ended the season ranked No. 23 in both polls. The MAC is the only non-BCS conference to ever have two teams finish in the top 25 in the final national rankings.

The two bowl wins by Miami and BGSU pushed the league's post season record to 8-1 since 1998 and marked the sixth consecutive bowl win for the MAC Champion. The MAC helped establish a Motor City Bowl record in actual attendance with 51,286 at last year's BGSU vs. Northwestern game, the first MCB event to draw over 50,000. Additionally, the MCB's television rating on ESPN of 2.33 was a 26 percent increase from the previous year. Attendance at the 2003 GMAC Bowl was 40,620, narrowly missing the five-year bowl record of 40,646.

During the off-season, the MAC had a league-first two first round picks in the NFL Draft with Miami's Ben Roethlisberger going to Pittsburgh at No. 11 and Western Michigan's Jason Babin going to Houston at No. 27. Roethlisberger was the MAC Offensive Player of the Year and Babin was voted the MAC Defensive Player of the Year.

Attendance at the Men's Basketball Tournament championship game surpassed the 10,000 mark for the fourth straight year, as Western Michigan knocked off Kent State. Despite the NCAA first round loss by the

Broncos to Vanderbilt, the MAC has advanced to the second round of the NCAA Tournament in five of the last seven years.

In women's basketball, Eastern Michigan defeated Bowling Green in the championship game inside Gund Arena to earn an automatic NCAA birth. Joining the Eagles in postseason play were Kent State, Miami and Western Michigan, all of whom earned WNIT bids. The Broncos advanced to the quarterfinals before falling to Richmond.

In June of 2003 the MAC reached a five-year agreement with ESPN, Inc. that guarantees the league exposure for the term of the agreement on ESPN and ESPN2. ABC/ESPN owns exclusive rights to the MAC Football Championship game and ESPN/ESPN2 those same rights to the MAC Men's Basketball Championship.

The MAC's relationship with ESPN, Inc., helped the league receive additional national exposure in February 2003 as part of the ESPN Bracket Buster Saturday. MAC schools Bowling Green and Kent State were on nationally televised games and the MAC will continue as a participant in the 2004 ESPN Bracket Buster event.

In the first year of the television deal, the MAC played its first-ever over-the-air broadcast on ABC — the MAC Football Championship game — and also made nine national appearances on ESPN, ESPN2 and ABC.

The Mid-American Conference was founded as a five-school league on February 24, 1946 in Columbus, Ohio with Ohio, Butler, Cincinnati, Wayne State and Western Reserve admitted as charter members.

The Mid-American Conference has 13 full-time schools and a 14th, UCF, for football only. Comprising the East Division is Akron (joined in 1992), Buffalo (1998), Central Florida (2002, football only), Kent State (1951), Marshall (1954-69, 1997), Miami (1947) and Ohio (1946). The West Division members are Ball State (1973), Bowling Green (1952), Central Michigan (1971), Eastern Michigan (1971), North-

ern Illinois (1975-86, 1997), Toledo (1950) and Western Michigan (1947).

Former MAC members are Butler (1947-50), Western Reserve (1947-55), Cincinnati (1947-53) and Wayne State (1947).

The 14 current football-member institutions have a total enrollment of better than 310,000, with individual enrollments ranging from 16,000-38,000. The MAC's overall enrollment makes it the fourth-largest conference in the United States. MAC alumni number over 1.7 million.

Over its 58-plus years, the MAC has produced a long list of great athletes and coaches from all corners of the sports world. A list that includes Olympic gold medalists, Major League Baseball, NFL and NBA standouts, PGA standouts, national-caliber game officials and Hall of Fame coaches and players.

A presidentially controlled conference, all major policy decisions are made by the MAC Council of Presidents, which consists of chief executive officers of the 13 full member universities.

In 1946 men's basketball was the first competitive sport in the MAC, which now sponsors a total of 23 sports. Women's sports were brought into the conference's structure in 1980.

For men, championships (11) are sponsored in football, basketball, baseball, cross country, soccer, swimming and diving, indoor track and field, outdoor track and field, wrestling, golf and tennis.

For women, championships (12) are sponsored in basketball, softball, volleyball, cross country, field hockey, golf, soccer, swimming and diving, gymnastics, indoor track and field, outdoor track and tennis.

Ford Field - Home of the Motor City Bowl

### MOTOR CITY BOWL

The Motor City Bowl will feature teams from the Mid-American Conference and the Big Ten.

Last year, BGSU defeated Northwestern 28-24, in the first ever post-season meeting between the two conferences.

Under the direction of former Michigan State University head football coach George Perles, the Motor City Bowl has teamed with the MAC since the Bowl's inception in 1997 to feature some of the nation's top players in a highly competitive postseason environment.

Perles, the bowl's Chief Executive Officer, and Ken Hoffman, Executive Director, have secured sponsorship from the Big Three Automakers – Ford, Daimler Chrysler and General Motors.

The MAC and the Motor City Bowl have a perpetual contract assuring the conference and the Bowl of an affiliation for as long as the bowl and the conference both exist.

Played at the new Ford Field, also home of the National Football League's Detroit Lions, the Motor City Bowl is easily accessible to MAC fans and alumni.

### GMAC BOWL

With 2004 marking its sixth season, the GMAC Bowl, has an agreement with the Mid-American Conference to provide a team from the league to face the No. 2 choice from Conference USA in the annual post-season holiday bowl game.

The inaugural Mobile Alabama Bowl in 1999 featured TCU stopping East Carolina 28-14. In the 2000 contest had the Horned Frogs dropping a 28-21 decision to Southern Miss before a capacity crowd of 40,600. In 2001, Marshall rallied from a 30-point deficit to edge East Carolina, 64-61 in double overtime in the highest scoring game in bowl history.

Last year, Miami defeated Louisville 49-28.

## NOTES AFTER EASTERN KENTUCKY

Seven players made their first career starts for the Brown and Orange, including five on defense ... first-time defensive starters included DE Devon Parks, LB Ted Piepkow, NG Mike Thaler, DT Monty Cooley and LB Daniel Sayles ... on offense, OL Rob Warren and OL Andy Grubb started for the first time in their respective BGSU careers.

Sophomore RB P.J. Pope rushed 13 times for a total of 48 yards and a career-high three touchdowns ... his only other multi-TD game came in 2002 vs. Ball State, when he scored twice on rushes.

Senior QB Josh Harris completed 18 of his 26 attempts through the air for 265 yards and a pair of touchdowns ... redshirt freshman QB Omar Jacobs also saw extensive action, and was 8-of-11 for 157 yards and a TD in his first collegiate appearance.

Jacobs ran for 20 yards on his first collegiate play, coming midway through the second quarter ... on his first-ever drive, Jacobs led the Falcons 37 yards in four plays for a touchdown.

Fifth-year senior Rick Mauer had a career-high three sacks for a total of 21 yards in losses, and also forced a fumble.

Junior WR James Hawkins had a total of seven receptions for a career-high 128 yards ... Hawkins' 100-yard game was the second of his career ... he had 112 receiving yards in 2002's win over Missouri.

Redshirt sophomore Charles Sharon had a career-long 28-yard punt return ... on the night, he had three returns for 41 yards.

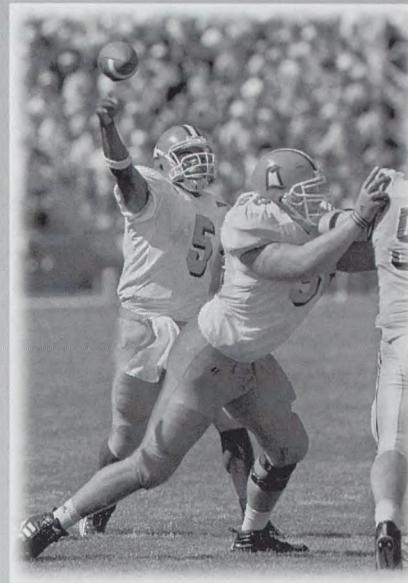

Junior WR Cole Magner had a career-high six catches for a total of 71 yards ... he was one of three Falcons to catch a TD pass in the win, joining Sharon and redshirt sophomore WR Derrick Lett.

Lett hauled in a career-long 66-yard TD pass from Jacobs in the fourth quarter ... it was his third career reception, and marked the first TD of his collegiate career ... that play also was the first scoring pass for Jacobs as a Falcon.

Redshirt freshman RB Raishaun Stover, in his first collegiate action, had seven carries for 45 yards and his first career TD.

Brandon becomes the eighth consecutive BGSU head coach to win his debut, following Urban Meyer (20-13 at Missouri, 2001), Gary Blackney (17-6 vs. Eastern Michigan, 1991), Moe Ankney (21-16 vs. Ohio, 1986), Denny Stoltz (17-6 at Grand Valley State, 1977), Don Nehlen (62-8 vs. Ball State, 1968), Bob Gibson (21-0 vs. Cal St. Los Angeles, 1965) and the legendary Doyt Perry (40-0 vs. Defiance, 1955).

Shaun Suisham set a school record by connecting on all nine PATs ... he breaks his own mark of eight (Toledo, 2001) that he shared with Brian Leaver (Navy/Ball State, 1994), Al Silva (Ball State, 1968) and Jim Perry (Temple, 1966) ... his nine attempts ties the single-game mark that Silva set in 1968 in the Ball State game.

## NOTES AFTER PURDUE

For the fifth time in six games vs. BCS competition, BGSU held its opponent to under 100 yards rushing when Purdue rushed for 95 yards on 28 carries. (Missouri, 76 yds., 2001/Temple, 29 yds., 2001/Missouri, 55 yds., 2002/Kansas, 89 yds., 2002).

This was BGSU's second win over a nationally-ranked opponent. The Falcons also defeated #18

Purdue (17-14) in the season-opener in 1972 (Sept. 16, 1972).

This win was BGSU's second fourth-quarter comeback win against a Big Ten opponent. The Falcons trailed Northwestern 28-14 entering the fourth quarter in 2001 and were down 24-20 vs. Purdue.

### Josh Harris Notes

Senior Josh Harris was the first non-BCS quarterback to win five-straight games against BCS-affiliated schools. Harris started for BGSU in wins over Temple, Northwestern, Missouri, Kansas, and Purdue.

Harris had his third 300-plus yard passing effort and was 22-of-40 for 357 yards and three TDs. Harris' career-best effort was a 402-yard performance at Northwestern. In two games against the Big Ten, Harris has completed 52-of-87 passes for 759 yards and six TDs.

Josh Harris' 77-yard pass to James Hawkins in second quarter was the longest completion of his career. It was the second longest non-scoring pass play in school history.

### Other BGSU Player Notes From Purdue

Junior Cole Magner had a career-high eight receptions for 127 yards and one TD.

Sophomore Charles Sharon's 32-yard, game-winning TD catch was the

second-longest of his career and capped an 81-yard drive.

Junior James Hawkins' 77-yard reception in second quarter was the longest of his career. Hawkins (106 yards) had his second-straight 100-yard effort of the season and third of his career.

The last time BGSU had two receivers with 100-plus yards receiving in a game was vs. Missouri on Sept. 14, 2002 (Robert Redd-209 and James Hawkins-112).

Harris and the Falcons used a 29-point fourth quarter to beat Northwestern, 43-42, in a 2001 game in Evanston, Ill. ... and, Harris connected with Charles Sharon on a late TD pass for a 27-26 road win over Purdue earlier this season. Junior **Keon Newson** had his MAC-leading fifth forced fumble of the season late in the second quarter ... then, in the third quarter, Newson forced his second fumble of the game and the sixth of the season ... his two forced fumbles set a Motor City Bowl record. Junior **Jovon Burkes** blocked a Northwestern field-goal attempt with nine seconds left in the first half ... it marked his first career block, and the Falcons' third blocked kick of the season.

Sophomore **P.J. Pope** became the 10th player in school history to rush for 1,000 yards in a season, and the first in a decade ... Zeb Jackson was the most recent in that category, having run for 1,016 yards in 1993 ... Pope ended the season with a total of 1,005 rushing yards ... Harris completed a school-record 38 passes in 50 attempts for 386 yards in the game ... his completions total set a MCB record (35 by Louisville's Chris Redman in 1998).

Scott Mruczkowski and Mike Thaler celebrate the Falcons' 28-24 Motor City Bowl win over Northwestern in 2003. It marked the first-time in MAC history that a league school ever faced a Big Ten opponent in the post-season.

Since Frederick G. Beyerman, an instructor in the physical education department and the first athletic director, announced in July, 1919 that Bowling Green State Normal College would field an intercollegiate football team, a rich tradition has developed.

From that very first team, to the first squad to go unbeaten in 1928, to the first perfect record of the 1959 national college division champions, to, most recently, back-to-back seasons of nationally ranked division IA football.

From former head coach Warren Steller, to Max Minnich, the first BGSU player to be drafted by a professional team, to Fred Durig, the first All-America selection, to legendary head coach Doyt Perry, to Paul Miles, the only football player ever to have his jersey retired, to Dave Preston, the career rushing leader, to record-setting quarterback Brian McClure, to head coach Gregg Brandon, the Bowling Green State University football program has a tradition as rich as any in the Mid-American Conference, and many programs nationally.

Since 19 of the 30 males enrolled at Normal College banded together to form that first team, many different people, players, and games have combined to mold the lore of football at Bowling Green State University.

The following paragraphs will touch on many of the people and games which carved the Falcon football history.

The program got off to a rocky start losing its first seven games played.

Franklin Skibbie scored the first touchdown with BG's only points in the 10-6 loss to Findlay in the 1920 season opener.

That team would post a 7-0 win over Kent State Normal College (Kent State) in the season finale to record the first win.

The 1921 squad was the first to win a conference title capturing the Northwest Conference championship with wins over Defiance, Findlay, and Toledo. BG posted a shutout of Findlay, scoring a school-record 151 points in one of the most talked-about games in school history. In the season opener against Kent State, played behind what is now Ridge Street School, the Falcons played possibly the quietest game in school history when all fans were prohibited from making noise because of an illness in the neighborhood.

The following season, BG held its first homecoming game on Nov. 4, 1922, which was played at the Fairgrounds. Bowling Green and Toledo battled to a 6-6 deadlock.

After having a different coach in each of its first five seasons, Warren Steller was selected to coach the 1924 squad, the beginning of a very successful 11-year tenure, the second-longest in school history. Steller was the first BGSU head coach to have an assistant when Paul Landis was hired in 1925.

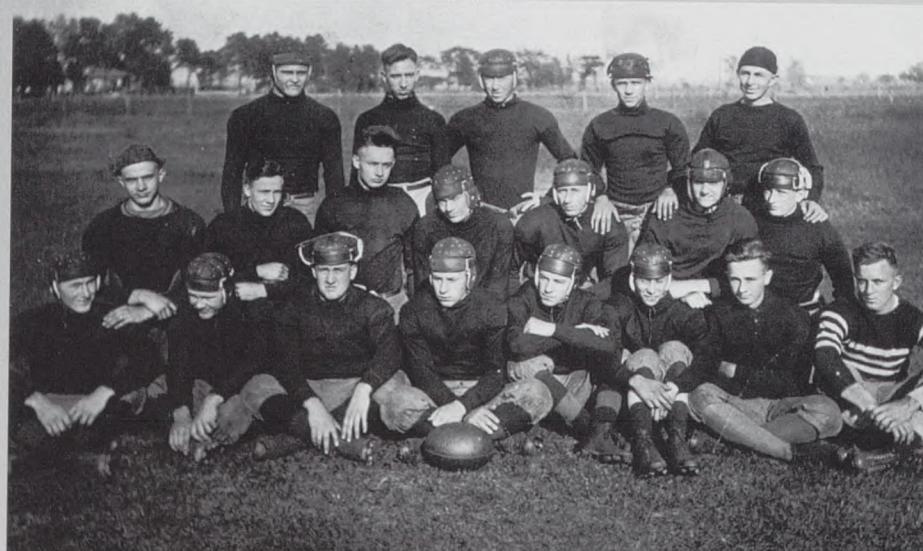

Led by Chet Chapman, the first BG player to earn first team All-Ohio honors, the 1928 team posted the first unbeaten record while allowing just 18 points in seven games.

In 1936, the federal government offered to

Brian McClure is one of only two players in MAC history (both from BG) to earn league MVP honors twice.

help Bowling Green financially in the construction of a new football stadium and the Trustees accepted the offer. University Stadium was dedicated on October 23, 1937 and served as the home of Falcon football until 1966 when Doyt L. Perry Stadium was built. University Stadium was located in what is now the center of campus directly west of Jerome Library.

Urban Meyer served as head coach for the Falcons in 2001 and 2002 and guided BGSU to a 17-6 record and a #16 ranking in the ESPN/USA Today Coaches Poll in 2002.

After playing mostly "local" teams previously in its history, the 1940 team made the longest trip in school history to that time to play Eastern Kentucky, a trip of approximately 400 miles.

In 1941, Robert Whittaker was named the head coach at Bowling Green after compiling an 11-year record of 89-19-2 at Sandusky High School. Whittaker's first of his 14 teams (the longest tenure in school history) tied Case Western Reserve for the Ohio Conference title and was thought to be one of the best teams ever, scoring 173 while allowing just 40.

After back-to-back losing seasons in 1953 and 1954, Doyt Perry began his legendary career as the Falcon head coach in 1955 and made an immediate impact. BG posted a 7-1-1 record, scoring 224 points while allowing only 53. This came on the heels of a 2-7 record the previous season.

One of the most significant wins in school history was the 17-13 victory over 10th-ranked Purdue in 1972. A fourth quarter field goal by Don Taylor was the difference for Coach Don Nehlen and his Falcons.

In 1961, Bowling Green played in its first bowl game, the Mercy Bowl at the Los Angeles Coliseum. The game against Fresno State was played to raise money to help defray the expenses of the families of 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash shortly after takeoff from Toledo Express Airport after a 1960 game against BG. The game netted \$170,000 for the memorial fund.

On October 24 and 25, 2003, ESPN's College Gameday made its home south of Doyt L. Perry Stadium. That marked the first time in MAC history that the nation's most watched college football pre-game show visited a league venue.

*Paul Miles is second on the BG career rushing list with 3,238 yards while he is also the only football player to have his number retired. At the time of his graduation, he was only the third running back in NCAA history to rush for 1,000 yards in three consecutive seasons.*

The arrival of a skinny, much-heralded quarterback from Ravenna, Ohio in 1982 signaled the beginning of an 11-year period in which the Falcons would make four bowl appearances.

The quarterback was Brian McClure and all he would do in the next four seasons was lead the Falcons to a 34-12 record, a 19-1 record at home, two bowl games, and become only the second quarterback in NCAA history to pass for over 10,000 yards.

He became the starter in the third game of his freshman season, and despite missing the last two games of the regular season, he became the first freshman to be named the first team all-league quarterback.

He would rewrite the BG and MAC record books before his career was over, setting five NCAA records as well. McClure still holds numerous school and MAC records.

In 1991, Gary Blackney was tabbed as the 14th head football coach, and much like the arrival of McClure, he made an immediate impact on the program.

In his first season, he took a team which com-

piled a 3-5-2 mark the previous season and molded them into an 11-1 squad, going undefeated in the MAC while winning the program's first bowl game.

The following season was more of the same as the Falcons were again perfect in league play and a win over Nevada in the first Las Vegas Bowl made it back-to-back bowl victories. The 1993 squad would extend the conference winning streak to a league-record 19 games while going unbeaten in the first 22 MAC games of Blackney's tenure.

Urban Meyer took over the reins of the Falcon program in 2001 and engineered the top turnaround in Division IA. The Falcons opened the Meyer era with an impressive road win at Missouri and followed that up with wins over Buffalo and Temple, surpassing their victory total of the previous year.

BGSU posted its first winning season since 1994 when it reeled off three straight wins to end the season. The Falcons 43-42 victory at Northwestern made them the first MAC team to ever defeat three teams from BCS conferences in a single season. The Falcons ended the season six-days later with a 56-21 pasting of MAC Champion Toledo.

In 2002, BGSU roared to an 8-0 start including win over Missouri and Kansas and were ranked in both the AP and Coaches polls at the same time for the first time in school history.

*(Above) Coach Gregg Brandon and assistant coach Dennis Springer celebrate the Falcons' 27-26 win over #16 Purdue. (Right) Charles Sharon hauls in this 32-yard touchdown pass with 2:08 left in BGSU's upset win over the Boilermakers in 2003.*

*The Mid-American Conference title won by the 1991 team was the first of two consecutive championships. The 1991 team won all eight of its MAC games, the first of what would turn into a league-record 19-game winning streak.*

Meyer's offensive coordinator, Gregg Brandon, took over as head coach in December, 2002, and guided the Falcons to their first-ever MAC West title and Motor City Bowl Championship and finished ranked in the top 25 (#23) in both major polls at the end of a season for the first-time in school history.

One player who links Blackney, Meyer and Brandon was All-American quarterback Josh Harris. The Westerville, Ohio native came to BGSU with the intention of sitting out the 2000 season as a redshirt, but was pressed into duty when injuries decimated the Falcon backfield. Serving as a running back and kick returner for the bulk of the season, Harris showed signs of greatness in glimpses and even started his first career game on ESPN against Toledo. Meyer took over the program the following season and inserted Harris into the starting lineup for good in the ninth game of the season and watched his team win 11 straight games over the next two seasons and earn its first national ranking since 1985.

The Falcons and Ohio State played in front of more than 104,000 fans when they visited Columbus in 2003.

Harris would lead the Falcons to a MAC West and Motor City Bowl title as a senior as he led the team to a #23 final ranking in the AP and ESPN/USA Today Coaches Polls. He earned a spot in the 2004 Senior Bowl and was selected in the sixth round of the NFL draft by the Baltimore Ravens. The Motor City Bowl MVP guided the Falcons to a 6-1 record in three seasons as a starter against BCS competition. He led the MAC in total offense in 2003 and set numerous MAC and BGSU records.

However, to think that recent Falcons success is due to just one player would be wrong.

The 2003 season gave BGSU its highest national profile and elevated the program to new heights.

The first sign that 2003 could be a special season happened in the second week of the campaign when the Falcons visited Purdue. Long-time Falcon fans have viewed the program's 1972 win over the Boilermakers as one of the biggest in BGSU history.

Well, lightning strikes twice. While Purdue entered the day with a #16 national ranking and visions of BCS aspirations dancing in their heads,

the Falcons were able to keep it close and the Falcons converted twice on fourth down, capped by a 32-yard miracle pass-and-catch from Harris to Charles Sharon with 2:08 remaining to post a 27-26 win over Purdue.

Two weeks later, the Falcons visited defending national champion Ohio State in Columbus. However, the Falcons rallied from a 17-point fourth-quarter deficit and were driving for the driving touchdown only to see their dream die, 24-17 in front of a state-wide television audience and 104,358 fans.

BGSU and Toledo played for the MAC West Championship in 2003. BGSU won 31-23.

Three wins later pushed the Falcons back into the national spotlight with a #23 ranking by the AP and a showdown with undefeated and #12 Northern Illinois showed so much promise that ESPN's College Gameday made Bowling Green its home for the weekend and for the first time in 20 years, Doyt Perry Stadium was sold out and shown on ESPN2.

All-American Janssen Patton set an NCAA record by picking off three passes in a game for the third time in his career and Harris directed the BGSU offense flawlessly as the Falcons prevailed 34-18 in just the second-ever regular season meeting between two nationally-ranked MAC schools.

The Falcons led 24-3 at halftime and avenged

All-American quarterback Josh Harris takes a 48-yard TD pass from Cole Magnar in the Falcons' 2003 win over Toledo. Harris was responsible for more than 100 TDs during his career.

one of the most painful defeats in BGSU history a year later under similar circumstances, when they visited a hostile DeKalb, Illinois unbeaten. The Falcons would spend the next seven weeks in both national polls and were ranked 24th in the final BCS standings.

After BGSU fell at Miami, the Falcons notched wins over Kent State and Ball State setting up what would be the most meaningful game in the history of the BGSU/Toledo rivalry. It marked the first time that the two schools played the final game of the regular season for an outright championship.

The Falcons rallied in the fourth quarter in front of a second home sellout crowd to post a 31-23 over arch rival Toledo. That would secure the Falcons' first-ever MAC Championship game appearance at home against #12 Miami. While the Falcons fell to the Redhawks, another sellout crowd witnessed the action and BGSU accepted a bid to the Motor City Bowl to take on Northwestern.

Lee Corso (left) and Kirk Herbstreit (right) were part of the ESPN team which broadcast the 2004 MAC Championship game from Doyt Perry Stadium.

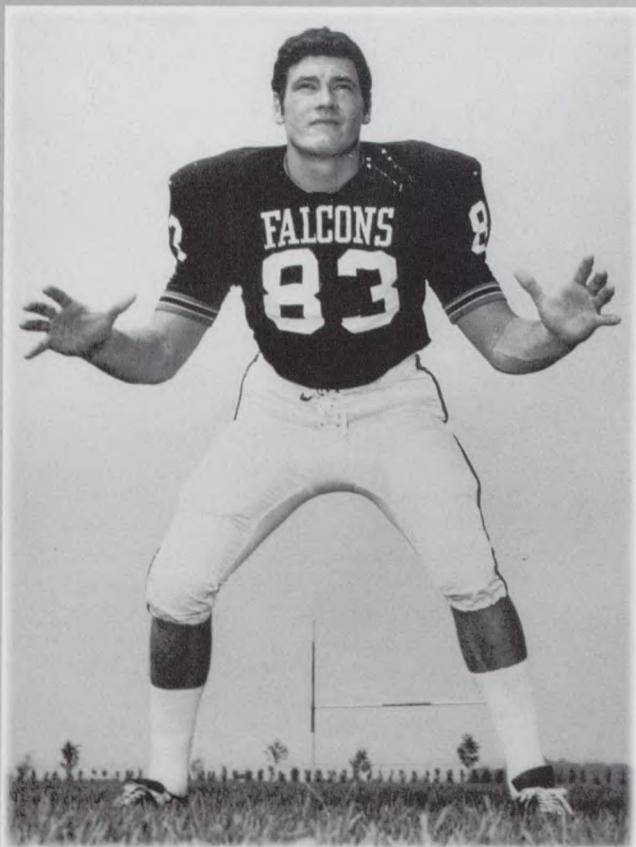

In the MAC's first-ever battle with the Big Ten in post-season play, Harris earned MVP honors completing a bowl record 38 passes as the Falcons posted a 28-24 win over the Wildcats. The victory allowed the Falcons to finish a season in both the AP and USA Today/ESPN Coaches polls for the first time in school history.

In a one-time game to help defray the expenses (burial and medical) of families of the 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash, Oct. 29, 1960, shortly after takeoff from Toledo Express Airport, Bowling Green and Fresno State, the undefeated champion of the California Collegiate Athletic Association, met at the historic Los Angeles Memorial Coliseum.

Playing before its largest crowd in school history, the Falcons, six-point favorites, were guilty, uncharacteristically, of six turnovers, which was the difference in the game.

BG's defense, which was ranked fourth in the nation, yielded 468 yards, 196 more than it had given up to any opponent during the season.

Quarterbacks Beau Carter and Jon Anabo were thorns in BG's side all day passing for 368 yards and two touchdowns. Carter ran for two scores, also.

BG scored its only points early in the second stanza on the two-yard

run by Ray Bell which was set up on a long pass play between Larry Smith and quarterback Jim Potts.

BG fumbled on its next two possessions with FSU turning the second miscue into a touchdown on a long pass play. Bowling Green did have a pass dropped in the end zone as the first half ended which would have given them the lead.

Fresno State then scored 1:44 apart midway through the third period to put the game away, the second score set up by a fumbled snap on an attempted punt.

The contest netted \$170,000 for the memorial fund which aided the survivors and the relatives of the victims of the plane crash. Cal Poly SLO had played at Bowling Green the afternoon before the crash.

After a full week of events leading up to the meeting with the Pacific Coast Athletic Association champion Fresno State, the Falcons entered the game against the Bulldogs a two-touchdown underdog.

The Falcons also had to contend with a partisan sea of red squeezed into Bulldog Stadium, the home of Fresno State.

But, the Falcons drew first blood converting a Jac Tomasello interception on the final play of the first quarter into the first touchdown of the game, a Chip Otten four-yard run capping a 48-yard drive. The Falcons took a 14-0 lead to the locker room after driving 73 yards on their next possession. Sophomore quarterback Brian McClure connected with John Meek on the scoring play.

BG looked to be in the driver's seat after McClure connected with Shawn Potts from five yards out in the third stanza. But, Fresno State answered BG's score with their first of the contest later in the quarter.

Bowling Green came right back as Potts picked up a fumble by receiver Greg Taylor at the five-yard line and ran it in to put the Falcons

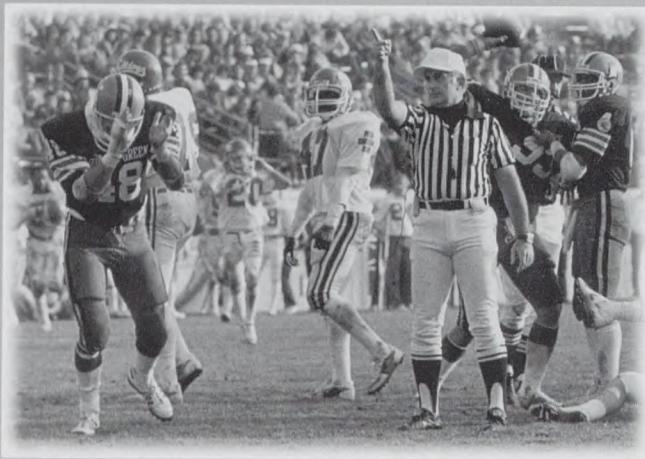

## Bowl Game History

back up by three touchdowns.

With Fresno State pinned back on its own 20-yard line and facing a third-and-ten, a Falcon stop might have put the final nail in the Fresno State coffin. But, FSU gained 15 yards on the third-down play and the comeback was on.

With future NFL receiver Stephone Paige running and catching a pass for a touchdown, FSU closed to within six points with three minutes left. BG used up just 1:05 of the clock on its next possession and FSU moved 45 yards in eight plays with Jeff Tedford finding Vince Wesson over the middle with 11 seconds left. Scott Darrow's PAT was the deciding point.

BG gained just 26 yards on nine plays in the fourth quarter while FSU gained 220 of its 453 yards in the final 15 minutes.

*This third quarter fumble recovery by Stu Tolle set up the third Falcon touchdown giving the Falcons a 21-0 lead over Fresno State in the 1982 California Bowl.*

The tone for what was expected to be one of the most evenly-matched California Bowls, came earlier in the week when BGSU head coach Denny Stoltz told the team before their Wednesday practice he would be leaving after the bowl game to accept the head coaching job at San Diego State.

An indication of what was ahead for the Falcons in the game came early in the first quarter when, trailing 7-0, they drove to the Bulldog one-yard line where they fumbled the ball away in the end zone, the first of five on the day and the same number they had committed in the first 11 games of the season. Fresno State would score the next 37 points before BG would hit paydirt.

*Wide receiver Mark Szlachcic (#84) had 11 receptions, two for touchdowns, for a school-record 189 yards in the 1991 California Bowl.*

Not even being a double-digit underdog against Fresno State could keep the Falcons from completing its storybook season under first-year head coach Gary Blackney.

And the script for this game was all Hollywood.

The first quarter would have led the fans to believe it might take 40 or 50 points to win the game as the Falcons scored touchdowns on their first two possessions and the Bulldogs would get one of those back before the quarter was over.

The scoring continued early in the second stanza as BG's Erik White and Mark Szlachcic hooked up for a second time. But, FSU came right back on their next possession with Anthony Daigle running 57 yards to cut the deficit in half going to the lockerroom.

The defenses took over in the third quarter, each allowing just 65 yards total offense. Late in the quarter, FSU placekicker Derek Mahoney missed a 26-yard field goal, the most significant scoring opportunity of the quarter.

BG scored early in the final stanza moving 80 yards after the missed field goal to build another 14-point lead.

FSU came right back to score driving 71 yards as quarterback Mark Barsotti completed five-of-six passes, connecting with tight end Marty Thompson from five yards out.

After three changes of possession, FSU started the final drive of the game from their one-yard line, after an interception, with 2:29 remaining.

FSU used its last time out with 24 seconds left and the Bulldogs just nine yards away from the needed touchdown. After a running play for six yards and two incomplete passes, the final play of the game would determine the outcome with three seconds left.

The BG defense rose to the occasion covering all FSU receivers and Barsotti threw incomplete with BG linebacker Kevin O'Brien pressuring. It was BG's first bowl win.

BG won its 11th game making Blackney one of only three coaches in NCAA history to win 11 games in their first season as a head coach.

In the inaugural Las Vegas Bowl, which replaced the California Bowl, the Falcons faced the high-powered offense of the University of Nevada.

In a game in which the punting game took center stage, the Falcons won the first half and Nevada the second half, but a late BG touchdown proved to be the difference.

The Falcons scored on their first four possessions to grab a 28-3 half-time lead. BG had 267 first-half yards to just 116 for the Wolfpack as they had an 18-6 edge in first downs.

In the second half, it was Nevada quarterback Chris Vargas' turn. He had engineered six Nevada comeback victories in three years coming off the bench, including an NCAA-record 35-point comeback against Weber State.

Nevada scored three touchdowns in the third quarter with punts of five and seven yards by BG setting up the first two scores. The Wolfpack's third score was set up by a high snap from center on a BG punt.

Nevada finally took the lead with 12:41 left in the game and looked to possibly put the game away with a field goal with 7:13 left, ending their run of 31 unanswered points.

Bowling Green then moved to the Nevada six-yard line before turning the ball over on downs. After holding the Wolfpack to one first down, Nevada punter Steve Lester had the center snap go through his hands setting up the Falcons at the Wolfpack 15-yard line with 1:45 remaining.

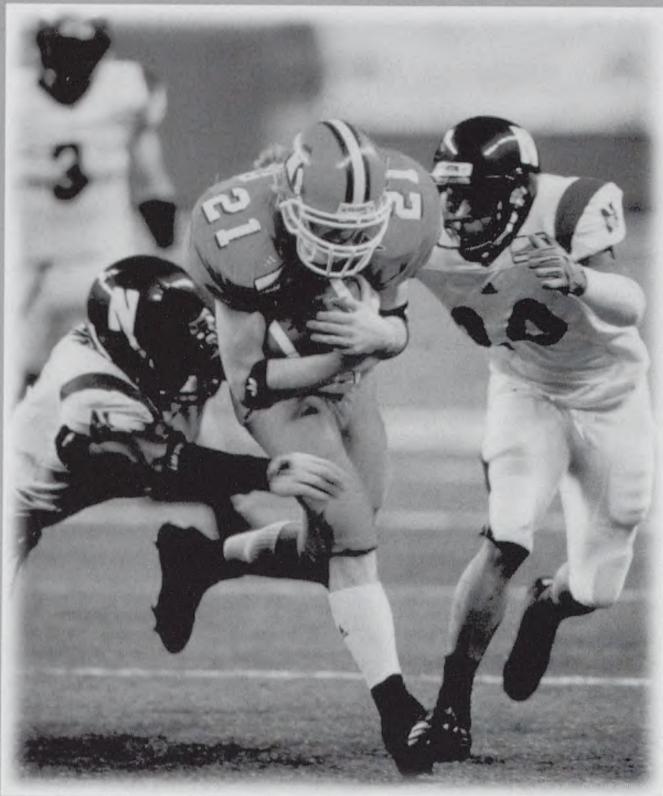

A 12-yard Erik White to Mark Szlachcic connection on first down put the Falcons on the three-yard line. After two runs and a pass did not net any yardage, White found Dave Hankins alone in the back of the end zone on fourth down with 22 seconds left. Placekicker Brian Leaver made the PAT for the winning points and BG's second consecutive bowl win.

Zeb Jackson gave BGSU a 28-7 lead against Nevada.

Northwestern took away Bowling Green's running game. So Josh Harris beat the Wildcats through the air. Harris passed for 386 yards and three touchdowns to lead Bowling Green to a 28-24 victory over Northwestern in the Motor City Bowl. It was the first postseason meeting ever between school's from the MAC and Big Ten.

Bowling Green took the lead for good on Harris' 3-yard touchdown pass to Cole Magner with 4:06 left. Harris, who also ran for a TD, set a Motor City Bowl and BGSU record for completions with 38 in 50 attempts. It also marked the third fourth quarter rally for BGSU against a Big Ten squad (Northwestern in 2001 and Purdue in 2003). Magner also set a game record for catches, finishing with 12 for 97 yards and two touchdowns.

Jason Wright ran for 237 yards on 21 carries and finished with 336 all-purpose yards for Northwestern. He had a 77-yard TD run - the second-longest run in Motor City Bowl history - to give the Wildcats a 17-7 lead early in the third quarter and an 88-yard kickoff return early in the fourth to set up Noah Herron's 2-yard touchdown run that made it 24-21.

Bowling Green used two 80-yard scoring drives to take a 21-17 lead early in the fourth. Harris threw a 7-yard TD pass to Magner, and put the Falcons on top with an 11-yarder to Steve Sanders.

Northwestern opened the scoring on Herron's 40-yard fourth-down run in the first quarter, and made it 10-0 on Brian Huffman's 31-yard field goal. Bowling Green answered with a 67-yard drive, capped by Harris' 4-yard run.

Bowling Green quarterback **Josh Harris** (left) was named co-MVP of the 2003 Motor City Bowl after leading the Falcons to a 28-24 comeback win over Northwestern, giving the MAC its first-ever postseason win over a Big Ten foe. Harris set a Motor City Bowl record by completing 38 of 50 passes for 386 yards and three TDs. Harris finished his career with 7,503 yards passing, 2,473 yards rushing and 104 TDs responsible for. Falcon head coach **Gregg Brandon** (right) led all NCAA IA first-year head coaches in victories by leading the Falcons to an 11-3 record.

### Doyt L. Perry

1988 College Football Hall of Fame Inductee

The year 1988 will be fondly remembered by many who are associated with the football program at BGSU. That year Doyt L. Perry, a former player, coach and administrator was recognized by the National Football Foundation with its top honor, induction into the College Football Hall of Fame.

Perry traveled to New York in December of 1988 for the Foundation's Hall of Fame dinner and was officially enshrined into the College Football Hall of Fame in June, 1989, in ceremonies held at Kings Island, Ohio.

Perry's association with BGSU dates back to the 1920s when he lettered nine times in three sports (football, basketball and baseball). The Croton, Ohio native received his degree in 1932. He began coaching on the high school level before becoming an assistant at Ohio State in 1951.

Perry returned to his alma mater in 1955, leading the football program to a 77-11-5 (.855) record over the next 11 years. His teams won five Mid-American Conference titles and one national college division championship in 1959. Perry's winning percentage ranks fifth on the all-time NCAA list.

Perry, who retired from coaching in 1964 to become BGSU's athletic director, developed such outstanding coaches as Bill Mallory, Don Nehlen, Larry Smith, and the late Dave McClain. Many more of Perry's former assistants and players have gone on to enjoy success in the coaching profession.

Perry passed away in February of 1992. At his memorial service former Michigan coach Bo Schembechler, an assistant on Perry's 1955 staff, said, "I don't believe I can name a coach, anywhere, anytime, anyhow, who did it better than Doyt Perry."

A documentary on Perry's career was released in May of 1998. It was produced by WBGU-TV.

## Spirit and Tradition

### WHY ORANGE AND BROWN

Orange and brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women's hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

### ALMA MATER

Alma Mater hear us,  
As we praise thy name  
Make us worthy sons and daughters  
Adding to thy fame.

Time will treat you kindly  
Years from now you'll be  
Ever dearer in our hearts,  
Our University.

From your halls of ivy  
To the campus scene,  
Chimes ring out with gladness  
From our dear Bowling Green.

When all is just a mem'ry  
Of the by-gone days,  
Hear our hymn dear Alma Mater  
As thy name we praise.

### FIGHT SONG

Forward Falcons, Forward Falcons  
Fight for victory,  
Show your spirit, make them fear it  
Fight for 'ol Bee Gee.

Forward Falcons, Forward Falcons  
Make the contest keen,  
Shout out the fame of our mighty name  
And win for Bowling Green!

### AY ZIGGY ZOOMBA

Ay Ziggy Zoomba Zoomba Zoomba  
Ay Ziggy Zoomba Zoomba Ze  
Ay Ziggy Zoomba Zoomba Zoomba  
Ay Ziggy Zoomba Zoomba Zi  
Roll along you BG warriors  
Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song. Gil Fox, an Air Force bombardier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history. The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

## RETired JERSEY

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

## FRIEDA & FREDDIE

### FALCON

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

## WHY THE FALCONS?

The 2004-2005 athletic year marks the 77th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname after reading an article on falconry. Lake, managing editor and sports editor of the *Sentinel Tribune* in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

## PEACE PIPE AWARD

The Peace Pipe is a traveling award that goes to the winner of the annual gridiron battle between Bowling Green and Toledo. The Peace Pipe tradition actually began on the basketball court during the 1947-48 season. At that time, the teams exchanged a six-foot long wooden peace pipe. The original basketball Peace Pipe disappeared, so, in 1980, the Peace Pipe was reinstated for football with former UT football player Frank Kralik creating the present trophy. Today's Peace Pipe is a smaller version of the original pipe, resting atop a trophy.

## ANNIVERSARY AWARD

The Anniversary Award is a traveling award that goes to the winner of the football game between Bowling Green and Kent State. Established in 1985 by the respective alumni departments at BGSU and KSU, the Anniversary Award commemorates the founding of BGSU and KSU in the year 1910.

## Perry Stadium

BGSU averaged 21,000 fans per game at home in 2003, the second highest single season total in Falcon history.

Doyt L. Perry Stadium, with its 28,599 seating capacity, is celebrating its 37th year as the home of Bowling Green State University football. In 2001 permanent lighting was installed at the venue and home attendance doubled.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982. This season will mark the first with permanent lighting. One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium set the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-

game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games.

Perry Stadium is more than just a football facility. The east side of the stadium includes locker rooms,

equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift 12 years ago. A physical fitness center/weight room opened its doors to all inter-collegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the men's and women's soccer and track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 20th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other sup-

porters of Falcon football.

The construction of elevators on both sides of the stadium, completed in early 1998, has made the stadium more accessible for all fans. Renovations to all boxes on both sides and the stadium club have taken place over the last few years making for a more "fan-friendly" atmosphere. Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 126-58-6 record in the 190 games played at Perry Stadium.

In the event that a BGSU player does not hold a record, the top Falcon performance is also listed.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fifth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame), Frank Leahy (Notre Dame), and Larry Kehres (Mount Union) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years (1965-71) after stepping down as football coach.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony were (l-r) Perry's children D.L., Judy Perry McClain, David and Doyt's wife Loretta. They are joined by John Mahaney, former president of the Board of Trustees, former University President Paul J. Olscamp and former Athletic Director Jack Gregory.

### DR. SIDNEY A. RIBEAU

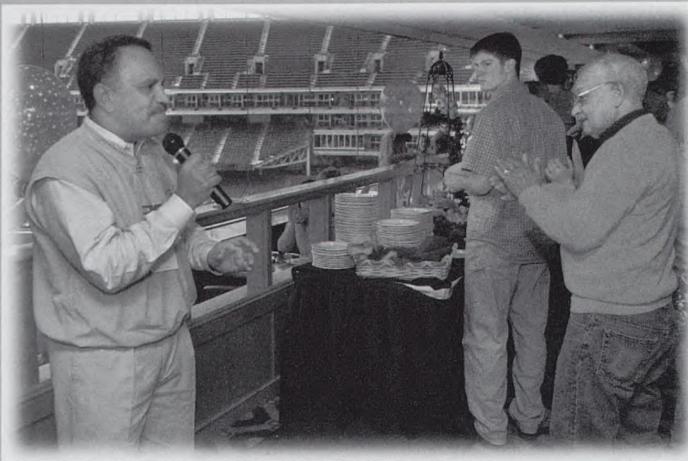

#### PRESIDENT

Since becoming Bowling Green State University's ninth president in 1995, Dr. Sidney A. Ribeau has led the University's adoption of a values-centered mission—something rare at a public university—that challenges students to develop critical thinking skills and to become engaged members of society.

Those efforts have created a distinctive learning community at BGSU and caught the attention of others in higher education. In 2003 the National Association of Student Personnel Administrators presented Dr. Ribeau with its President's Award for his "courage and leadership in guiding the Bowling Green State University campus community to develop a community focused on student learning and designed to educate the whole student by taking students' personal and intellectual growth into consideration."

President Ribeau's vision for Bowling Green has inspired a number of innovative programs, including nationally recognized residential learning communities, first-year seminars on critical thinking, and co-curricular activities that take learning outside the classroom. Another program, the President's Leadership Academy, enables students from diverse ethnic and economic backgrounds to enhance their leadership skills.

Meanwhile, Dr. Ribeau has prioritized the availability of the latest technology for research, instruction and communications. He also has encouraged collaboration with other institutions to increase

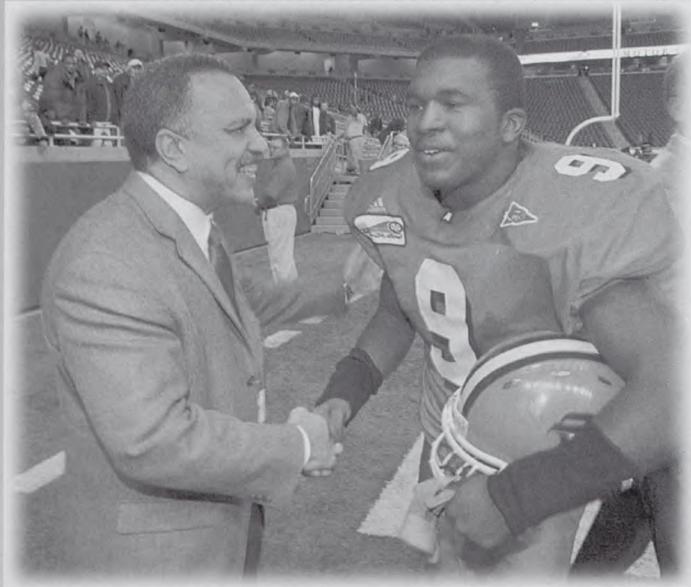

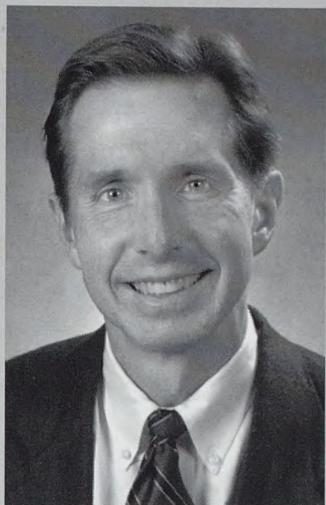

operational and cost efficiencies, and has championed collaborative research and instructional programs, such as the nationally recognized Center for Photochemical Sciences. The center received a \$2 million Wright Capital Project grant in 2003 from the state to create a laboratory that will work collaboratively with business, industry and nonprofit organizations to bring innovations in the photochemical sciences to the marketplace.

A member of the Bowling Green and Toledo Chambers of Commerce, Dr. Ribeau serves on the boards of United Way, the Greater Toledo Urban League, the Toledo Symphony Orchestra, the Andersons Inc. in Maumee, Convergys Corp., and Worthington Industries. In addition, he serves on Ohio's Higher Education Funding Commission, the board of the Teachers Insurance and Annuity Association—College Retirement Equities Fund (TIAA-CREF), the advisory board to the Third Frontier Commission and the board of the Regional Growth Partnership.

Raised in Detroit, President Ribeau received his bachelor's degree from Wayne State University in 1971. He earned master's and doctoral degrees in interpersonal communication from the University of Illinois, Urbana-Champaign, in 1973 and 1979, respectively.

He began his teaching career in 1976 as a professor of communication studies at California State University, Los Angeles. Eight years later, after being honored as an outstanding teacher and student adviser, he became chair of the university's Pan African Studies Department. He held that position until 1987, when he was named dean of undergraduate studies at California State University, San Bernardino. Three years later, he became dean of the College of Liberal Arts at California Polytechnic State University, San Luis Obispo campus. In 1992 he was named vice president for academic affairs at Cal Poly Pomona, a position he held until coming to Bowling Green.

**DR. ED WHIPPLE  
VICE PRESIDENT,  
STUDENT AFFAIRS**

Dr. Edward G. Whipple joined the Bowling Green State University staff in July of 1994, continuing a 23 year career in higher education administration.

As Vice President for Student Affairs, he is responsible for the overall administration of nearly every area of student life at BGSU and a variety of programs, including:

intercollegiate athletics, counseling, cooperative education, career, health, and disability services, multicultural affairs, recreational sports, golf course, ice arena program, residence life, Greek affairs, student life programs, student publications, Bowen-Thompson Student Union, and dining.

In conjunction with the Provost and Vice President for Academic Affairs, he also oversees the BGeXperience program and the Office of Student Academic Achievement, a retention-based program.

Dr. Whipple is an adjunct graduate faculty member in the Division of Higher Education and Student Affairs in the College of Education and Human Development. During his tenure at Bowling Green, the following university-wide initiatives have been implemented:

- \* Realignment of student services and programs to reflect institutional goals and priorities.
- \* The integration of the intercollegiate athletics program into the Division of Student Affairs
- \* Thirty-five million dollar student union renovation and expansion
- \* More than 70 million dollars in residence hall and small group living renovations including an establishment of system-wide residential computer labs
- \* Increase in residence hall occupancy
- \* The creation of the First-Year Experience Program
- \* The creation of learning communities in the Residence Life area
- \* A revision of the Code of Student Conduct
- \* Creation of the first University Student Handbook
- \* Revamping of the general fee process to allow significant student input into the institution budgeting process including increased funding for student organizations.
- \* Creation of a Student Affairs fund raising program

Dr. Whipple graduated with a degree in English and French from Willamette University in Salem, Oregon. After earning a master's degree in English from Northwestern University, he taught high school English and French in Chicago and Reedsport, Oregon, in addition to coaching swimming and track. In 1978, he enrolled

in the college student services administration doctoral program at Oregon State University. He received his doctorate in 1981 and his first student affairs position was Greek affairs coordinator at Iowa State University, where he supervised the activities of 48 fraternity and sorority chapters.

In 1982, he was named associate dean of students and assistant professor of education and a member of the graduate faculty at Texas Tech University. In 1985, he became dean of students at the University of Alabama-Tuscaloosa, and taught in the Department of English.

Prior to coming to Bowling Green, Dr. Whipple was vice president for student affairs at Montana State University - Billings, and that institution's first vice president for student affairs. At that institution he was given the challenge of reorganizing the student affairs area at Montana State, a university of 3,800 students. In addition to managing the student affairs program, Dr. Whipple was also an associate professor and taught courses in both the School of Liberal Arts (English literature) and the School of Education (teacher preparation).

## PAUL KREBS ASSISTANT V.P./ DIRECTOR OF ATHLETICS

Paul Krebs was named the 11th Athletic Director at Bowling Green State University on March 15, 1999 and recently promoted to Assistant Vice President for Student Affairs. Krebs leads one of only 14 programs in the country which sponsor Division 1A football, men's and women's basketball and men's ice hockey. Last year, BGSU enjoyed its highest ever national profile with the football team playing on national television five times as it captured MAC West and Motor City Bowl titles and a final national ranking of #23 in both major national polls.

In addition, the women's softball program won the MAC Tournament championship and advanced to the NCAA Tournament and women's basketball, men's soccer, and women's soccer all advanced to the finals of their respective conference tournaments. Two years ago, the Falcon football program achieved their highest ever Division 1A ranking, #16, and in 2001-02, BGSU was one of six Division 1A schools to win at least eight football games and 24 men's basketball contests.

Krebs has helped bring head coaching salaries in line with other peer institutions and has been praised for identifying and hiring dynamic, young coaches and staff. One of Krebs' first tasks was to maximize the Department's revenue opportunities. Under his leadership, fund-raising, marketing dollars, corporate partners, and ticket sales for football and men's basketball have increased. Annual contributions to our Falcon Club and scholarship giving has increased, along with the number of scholarship endowments.

Under Krebs' direction BGSU has created a state-wide presence with its coaches' shows, seen on Fox Sports Ohio--becoming the first school in the MAC to have such a partnership. In partnership with Clear Channel Lima, the Falcons have created a 10-station radio network. The radio broadcasts for men's football, basketball and the coaches' shows have grown from one station to one of the largest radio networks in the Mid-American Conference. This network provides coverage of Falcon Sports within a 2-hour radius of Bowling Green. Along with the increased strength-of-signal and distribution this new network includes state-of-the-art technology and satellite distribution of the signal. Krebs fostered a relationship with ESPN Regional Television, which has seen BGSU make 23 appearances in football and men's basketball since 2000. In addition, BGSU was the site for the first-ever visit to a MAC school by ESPN's Gameday program. Under his direction, BGSU Athletics now manages all of its radio and television sponsorship in-house and manages its own website ([bgsufalcons.com](http://bgsufalcons.com)) with College Sports. It is the most heavily trafficked MAC website in the OCSN Network. Under Krebs' direction, licensing is now overseen by the Athletic Department. Since taking over licensing, royalty revenues have increased over 100% and there has been a marked increase in retail presence of Falcon merchandise.

Krebs has helped lead the charge to improve facilities including the installation of permanent lighting at Doyt Perry Stadium in August, 2001; the replacement of all bench seating in Doyt Perry Stadium; the renova-

tion of the hockey locker rooms and new coaches' offices at the BGSU Ice Arena; new bleachers and a press box at Warren Steller Baseball Field; and a new infield and warning track at the school's softball facility. This Fall there will be three new additions to Doyt Perry stadium: a state-of-the-art video scoreboard, a new sound system, and air-conditioning in the east side stadium suites. In addition, the Department is actively soliciting donations for a Student Athlete Center, scholarship endowments, and the baseball/softball locker room project as a part of the University Comprehensive Campaign.

Nationally, Krebs was recently appointed to the NCAA Baseball Committee which is responsible for college baseball, including the College Baseball World Series. Krebs has served as a faculty member for the Division 1A Athletic Director's Institute. He has presented at a number of national conferences on a variety of topics including athletic facility construction. He served on the Games Committee for the National Association of Collegiate Directors of Athletics (NACDA) 2002 Pigskin Classic. In addition, he was Meet Director for the NCAA Division 1A Golf Championships in 1987 and 1995 and the Regional Championships in 1993. At the Mid-American Conference level, Krebs has served for three years on the Infractions Committee and also is the chair of the MAC Baseball Committee. He served on the MAC TV Committee that recently negotiated the new TV contract with ESPN.

Krebs is a member of the BGSU President's Advisory Council, Student Affairs Executive Council, Homecoming Committee and has served as chair of Student Affairs' Training and Development. He is chairing the University Automated Ticket Committee and serves on the University-wide advisory committee for web technology. Krebs is involved locally as a member of the Exchange Club of Bowling Green and as a member of the Board of Directors of the American Red Cross Blood Services of Northwest Ohio. He is a member of the Bowling Green Parks and Recreation Foundation Fundraising Committee for the Simpson Arboretum and Garden Park. He is a member of the Bowling Green First Presbyterian Church.

Before coming to BGSU, Krebs served as the Senior Associate Athletic Director at The Ohio State University since September of 1993. In that capacity he managed the daily operation of the Department. He was the point person in the planning and design of Ohio State's Jerome Schottenstein Center, the Jesse Owens Stadium and the Bill Davis Baseball Stadium. He coordinated the renovation of storied Ohio Stadium and was actively involved in fund-raising and securing corporate sponsorship for these facilities. Krebs arrived at Ohio State in 1985 as the Ticket Director and quickly implemented a new computer program that streamlined the ticket office while improving efficiency. He was named Assistant Athletic Director in 1987. In 1991 he was promoted to Assistant Athletic Director of Administration, a position he held until 1993. He began his professional career as the Assistant Ticket Director at the University of Oklahoma in 1981 before being promoted to Ticket Director in 1983, a position he held for two years before going to Ohio State.

Paul's wife, Marjori, is an instructor in the College of Education and Human Development and an educational curriculum consultant for Partnerships Make A Difference. She is currently pursuing her doctorate in Leadership Studies at BGSU. They have two children, a daughter, Taylor, 15, and a son, Jacob, 11. The Canfield, Ohio, native earned a bachelor's degree in Business from BGSU in 1978 and a master's degree in Athletic Administration from Ohio State in 1981.

## Bowl Games

### 2004 BOWL GAME HIGHLIGHTS

College bowls will pay out \$187 million this coming season.

Bowl games paid out more than \$820 million in the past five years alone and will pay out at least \$2 billion over the next decade.

Bowls drew a Record Total Attendance of 1.45 million fans in 2003-04

The combined TV audience for the 28 bowls was an average of 117 million households and 17 games saw an increase in TV viewer-ship.

Average attendance at Bowl's in existence at least five years has increased 3.3% over that period. The same for Bowl's that have been around at least ten years (9.3% increase) or twenty years (14.1% increase). On average these games are more popular than ever.

Of the 20 current bowls that have been played at least five years stadiums were filled to 95.2% of capacity and 13 bowls were at least 99% filled.

College Bowls generate \$1.1 billion in annual economic impact (Excluding exposure)  
• 26 Communities hosting 28 bowl games provide stability and commitment onepromoter/sponsor could not

56 teams, or 48% of Division I-A programs will have a chance to be a part of the college football post-season bowl experience compared to approximately 20% in other NCAA sports (Div. I-AA football 13%; men's & women's basketball 20%; etc.)

### Bowl Games Provide Revenue...

This year 28 bowl games will distribute more than \$187 million to NCAA schools. More than \$820 million has been paid out in just the past five years and the bowls will conservatively payout more than \$2.1 billion over the next ten years.

Almost all Bowl games are non-profit organizations. The more revenue the bowl brings in through ticket sales, sponsors, etc. the more money can be paid to NCAA schools.

While it is true that some teams in conferences that don't send multiple teams to bowls don't receive as much revenue, that is a key reason additional bowls have been added recently -- to provide more opportunities for those conference members and increase their revenue. Indeed some bowls have been setup with the help of conferences to provide all the other benefits of a bowl.

BGSU's student-athletes currently bring to the Bowling Green community a dimension of excellence, both academically and athletically, that distinguishes it nationwide. They are leaders both on campus and in the community. Your support will ensure that our student-athletes maintain a competitive edge, while moving aggressively forward.

### Vision Statement

The BGSU athletic department is committed to being a national and community leader, demanding academic and athletic excellence that fosters integrity, pride, respect, tradition and creative innovation.

### You Are Our Most Valuable Recruits

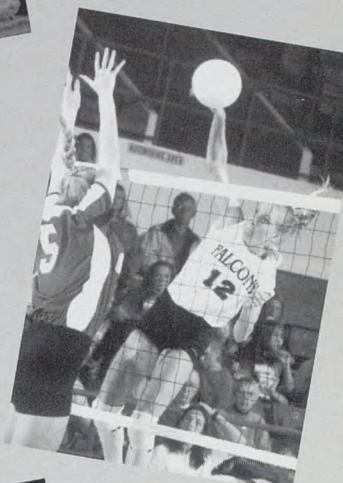

Last year, over 1300 individuals helped Bowling Green State University's student-athletes earn victories on and off the playing field with their contributions to the Falcon Club. 100% of ALL dollars raised by the Falcon Club will be committed to our athletic scholarship program. More than \$4 million is awarded annually in scholarship dollars, but with tuition increases, the need for donor involvement is greater than ever.

- 100% of your Falcon Club contributions can be designated to the sport of your choice for scholarship support.
- All contributions are tax-deductible to the fullest extent allowed by law.
- A cash designation of \$1,000 or more to any one sport entitles you to exclusive Coaches' Corner involvement in that sport. You will also receive periodic updates on your sport and invitations to special events.
- Double or even triple your Falcon Club gift if your employer has a matching gift program. Check with your personnel office.
- Take advantage of the ease of credit card gifts. Your membership contribution can be paid annually or monthly with Visa, MasterCard or Discover.

Each year over \$4 million is required to fund the educational needs of Bowling Green State University's student-athletes. Endowed scholarships provide a base of support that lasts forever and grows annually. Endowed gifts are invested by the BGSU Foundation Board of Directors and have enjoyed an impressive earnings average, a leader in the nation.

In accordance with the Foundation spending guidelines, 5% of the principal is applied each year to scholarship and the remaining earnings are reinvested into the pool. Currently we have over \$2.2 million in our endowment pools. This provides yearly, spendable earnings of more than \$110,000 for our student-athletes education.

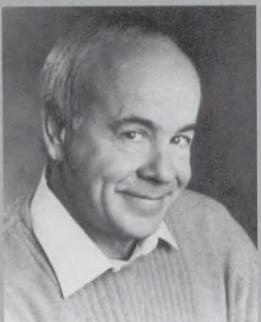

Gifts may be donated to current endowments or be set up for specific sports with structured criteria. The endowed scholarship is often established in honor or memory of individuals. Consider supporting Falcon Athletics with a gift that will last a lifetime and reach countless deserving student-athletes.
